

Greetings past SST's,

As Hartman Center celebrates its 75th year of church camp ministry, we are looking to the future for another 75 years. The success, of these 75 years, was made possible by the work and ministry of YOU, as part of the Summer Service Team. Many past SST's have expressed interest in helping and supporting Hartman Center to flourish into the future. Through discussions with the Outdoor Ministry Commission and Harold Karchner, the property manager, we have decided that the Observation-deck (O-deck) is in great need of renovation. This renovation would entail replacing all floor boards and railings with **TREK** building materials. This material is guaranteed to last longer than regular treated lumber, and nothing has to be done to care for it.

The O-deck plays an important role in the experience of campers and others that stay at Hartman Center. The O-deck has many purposes, which include: a gathering place for sports and community building, a vesper site, a sleep out site, and place to view God's beautiful creation from the morning sounds to the night sky. Besides camp, the O-deck is also used by groups on retreats, as well as, other outside groups, such as, the Red Line band.

Our goal for this project is to raise \$3,500 for the renovation of the O-deck. You may be wondering how you can shed a little sun on the Sonshine place? Well, there are several ways. We hope to raise the money through the generosity of past SST's and friends, as well as, having past SST's come together to renovate the O-deck. Plans have been made for Memorial Day Weekend to be a past SST reunion to work on the O-deck, as well as, reunite and fellowship. Our goal is to make this a yearly opportunity for a gathering of old friends at a special place of us all.

A few details of how to register for the weekend and where to send the financial support can be found on the enclosed pages. Any questions, comments, or concerns can be directed to Nathan Druckenmiller at njod2003@hotmail.com or (570) 220-0955. We are also attempting to gather current contact information of all past staff members. If you would please contact us with that information we would greatly appreciate it. It is to be used for camp lists and will not be shared with any other groups.

Thank you for your past and future support of the ministry at Hartman Center, the Sonshine place.

Much Thanks and Blessings!
